

e STEWARDSHIP

Why do I want to choose electronic debits for my tithing and/or Building Faith donations?

Not only is this beneficial to you in ways of privacy and convenience (no more last-minute Sunday mornings looking for the envelopes and the checkbook!), it is also beneficial to our parish in ways of budget forecasting and improved cash flow. Parishioners have used this program at St Boniface for almost ten years.

How does the eStewardship program work?

Complete and sign the authorization form below, return it to the church office or place it in the collection basket with a voided/cancelled check. This gives the church permission to debit your bank account once or twice each month via a secure program in compliance with national banking regulations. If you ever need changes made, just call or email the parish office with your requested change. You may also cancel the program at any time. We ask that you allow a two-week notification of any changes or cancellation.

We appreciate your participation in this program.
